## **Road repairs to begin on westbound Interstate 94 near Medora Monday, April 23**

Road repair work will begin Monday, April 23 on the westbound lanes of Interstate 94 near Medora.

During the project:

- Speeds will be reduced
- A 12-foot width restriction will be in place
- Flaggers may be present
- Oil may be present on the roadway

The project is expected to be completed by early June

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
